Received Given

Frank Pantuso · 1st

Product Management & Business Professional with over 20 Years of Experience across Telecommunications, Internet, & CE
December 15, 2020, Frank worked with Stephane but they were at different companies

Stephane has a combination of product and technical expertise across both hardware and software which gives him the rare ability to manage solution level products.

Simon Deconde · 1st

Senior Software Engineer · Full-stack · SaaS founder | TypeScript, PostgreSQL, React | Product-minded and latency-averse
November 11, 2020, Simon worked with Stephane on the same team

Working with Stephan for more than 2 years, I had the opportunity to appreciate and learn from his exceptional skills! He is a leader with great Product instinct, as well as a well-rounded overall business acumen. What was most impressive to me was his ability to find creative solutions to hard problems, like how to create a Product team from scratch, and deliver top quality mobile and TV apps for Kanopy, all with very few resources at his disposal. I would welcome working with Stephan in the future, and would recommend him to any company in search of serious...
